Our Product Lines:

MARITIME

Get Comfortable. Get the Original.™

Customer Appreciation Celebration

Madaket Marine would like to say Thanks to all of our valued customers. **Our Customer Appreciation Celebration will be held on August 7th**

Come join the fun from 8:00 - 1:00. We will have food,

contests, prizes, demonstrations, and of course the dunk tank. Once again Senior Chief TJ Malvesti of the US Coast Guard will brave the frigid waters of the dunk tank. Mark your calendars so you don't miss out on all the fun.

Boater Safety Course - !! TONIGHT !!

The date for the next class is **July 7th, at 4:00pm** at the Great Harbor Yacht Club training room. The first class includes a CD, which you will have a week to review. Then on **July 14th, at 4:00pm** there will be a test.

Those under 16 yrs of age will need this class and certificate to be able to operate a motor vessel until they receive their drivers license.

Valet & Rental Mooring Reminders

Just a reminder that valet customers are required to call at least one hour before you would like to use your boat. Rental mooring customers please return the dinghies and not leave them tied to your mooring while you are out. We only have a few and someone might need to use one while you are out. Thank you.

As always check our [website](#) for our used motors and/or boats.

Also don't forget about our [eBay store](#) for those misc parts.

[Salt water angler permits.](#)

[List of required boat safety equipment.](#)

Family Corner

Check out the gas dock for all those little things you might have left behind. We now have sunscreen, bug spray, hats, sunglasses, towels, beach chairs, kids toys, coolers, ice, drinks, and snacks. And for those little boaters check out our new line of children's sweatshirts, and rompers.

Environmental Corner

Please remember to use the recycle bins provided around the yard. Due to the delicate environment surrounding us we need to take extra care with our refuse.

Speaking of recycling, have you seen our new Eco Friendly Fleece hats? They are made from recycled soda bottles and packaging containers. These hats are surprisingly soft and keep your head warm on those chilly mornings or after the sun goes

down.

What's Happening Around The Boat Yard

Our spring commissioning is in full swing. The docks are full and the fish are biting. We have been very lucky this year as the weather has been wonderful, warm and sunny.

We hope everyone is geared up and ready to do some boating.
